

Every Donation Makes a Difference

How? As a nonprofit hospital, we depend on your support to reach our goal: healthier futures for every child. When you support Lurie Children's, you join a community of supporters who work together to make our goal possible. Each dollar you raise can mean a world of a difference for children who need it most.

\$12 - provides a pack of diapers for the smallest preemies

\$35 - is enough to provide lidocaine to numb a site before injection

\$60 - is enough to provide one dose of an anti-nausea drug

\$85 - provides an IV pole to carry lifesaving medicine

\$100 - is enough help make a child's hospital stay a more positive experience with activities, supplies and toys

\$250 - provides patients with support groups and resources they need to thrive after lengthy hospital stays

\$500 - supports clinical trials to help discover new or more effective treatment options

\$1000 - means we can attract the very finest candidates and train the next generation of specialists
