move for kids

Move for Kids was started to celebrate the move to our new hospital. Since then, it has become a celebration of community, family and what's possible when we come together for the kids we care about.

Sponsoring Move for Kids is a powerful way to associate your brand with the world-renowned reputation of Lurie Children's, while showing your customers, clients and employees that you care about the health and well-being of children and families in the community. As a nonprofit hospital, we depend on your support. Every dollar raised supports our Access for Every Child Fund, ensuring that children have access to the healthcare they deserve, regardless of their family's financial situation.
